

I am an...

Amazing Artist!

Vision and Values

I have happy memories of creating my own works of art.

I enjoy being inventive and creative.

I feel safe while expressing my own thoughts and feelings through art.

I feel valued when my work is displayed and celebrated.

I demonstrate British Values when learning about artists in history.

Head

I know about how art and design both reflect and shape history.

I understand how art contributes to the culture, creativity and wealth of our nation.

I feel inspired and challenged.

I am beginning to evaluate and analyse creative works.

Hand

I am becoming proficient in drawing, painting and sculpture.

I am learning about other art and craft techniques.

I have the knowledge and skills to experiment, invent and create my own works of art.

Heart

I am proud to express myself through my art work.

I appreciate other's talents and efforts.

I appreciate how others can help me with my ideas and make my work even better.
