

KS2 Family Session

- "It was fun!"
- "It helped me understand the New Curriculum and gave me ideas
- "I have a better understanding of the Maths lesson structure and expectations!"
- "Knowing what happens in the classroom will enable me to support my child's learning and development!"
- "Methods of teaching Maths have changed and being shown how my child learns will help me to assist them!"
- "A really useful session. A good understanding of what is taught and expected!"
- "Thank you!"
- "We have played more games since the workshop!"
- It was great to go into the classroom and do some Maths with my child. The talk was very informative too. Brilliant!"
- "I realise the need to keep up the use of Maths Problems in everyday scenarios!"

KS1 Family Session

- "It will ensure that we can help my child learn in the same way that they are being taught at school"
- "The information packs, games and resources refreshed the methods of how children learn in school!"
- "A very enjoyable morning, thank you!"
- "I know how the subject is delivered in class and can ensure that the learning at home uses the same strategies as school!"
- "A well delivered informative session made fun for children and adults, thank you!"
- "Great ideas on how to help my child at home!"
- "I didn't realise I was meant to ask "why". From now on I will encourage my child to explain his answers!"
- "Fantastic ideas. I feel more confident, knowing how children are being taught!"
- "I now know the ways and methods used so it's easier to see it from the child's point of view!"
