

**Perton First School
and Nursery**

A happy
School where every child is cherished

Perton First School and Nursery

Our Nursery is a very special place for young children to embark upon their learning journeys. We understand that all children are unique and precious, and our priority at all times is their safeguarding and welfare.

Our environment is flexible to suit the needs of individual children.

We believe that children should have opportunities to learn through their personal interests. The effect is that children achieve the best learning outcomes available to them.

The key to success in the early years is strong personal, social and emotional development.

We have excellent relationships with professionals and use their expertise to support learning for all children.

We have a range of flexible learning areas within the nursery. The children are encouraged to make choices about their learning and where it will take place.

Explorers' World is our fabulous outdoor area which feeds the imagination of young children.

The Discovery Zone is a hive of activity with a focus on STEM (Science, Technology, Engineering and Maths) learning.

The nursery itself is sensitively designed to engage all learners. It is divided into open areas which are well planned to support learning needs.

The nursery practitioners play alongside the children and move their learning on.

Children are reminded gently, as necessary, about the high expectations which all staff hold.

Parents can help children to be independent in by labelling clothes, shoes, coats, water bottles and bags.

We want all of our children to be happy and safe.

This is an amazing school that nurtures our children.

Parent

Admissions

Please speak to the office staff about admissions and availability. Please remember that a place in nursery does not alter the chances of a place in reception and you must make a separate application for a school place. We offer wrap around care including a lunch club and before and after school provision. We take Golden Tickets for Think2 funding and Childcare Vouchers, we also offer 15 and 30 hours childcare to suit your needs.

School Uniform

We have a smart but simple uniform that we expect all pupils to wear. Our school colours are red, grey and white:

- **Red school sweatshirt or cardigan**
- **White or red polo shirt**
- **Grey trousers / skirt / pinafore / jogging bottoms for 2 year olds**
- **Red/white checked/striped dress/ grey shorts for the summer**
- **Sensible black, flat shoes**
- **Water bottle**
- **Book bag**
- **IMPORTANT: please name all belongings**

PE:

- **Pumps only from January**
- **Red or white T-Shirt, black shorts PE kit needed for the summer term**

First Aid and illness

Please don't send your child if they are too ill, too sleepy or have a high temperature as illness spreads quickly around young children. If your child has sickness or diarrhoea then please ensure they have been clear for 48 hours before returning to Nursery.

It's not just a school; it's a family where every child really does matter.
