

Dear Parent/Carer,

Learning from home just got more exciting with Discovery Education Espresso and Discovery Education Coding

We are pleased to announce that you and your child can access the Discovery Education Coding service and award-winning Discovery Education Espresso service from home.

We use both services in school to help motivate, engage and support learning in the classroom. Now your child can continue to enjoy what they have been doing at school, and you can be involved in their learning at home.

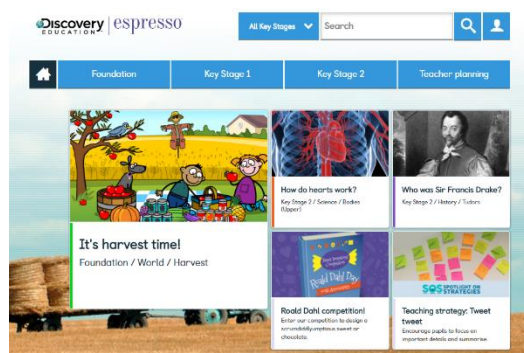

About Discovery Education Espresso

Espresso is an online cross-curricular service that provides video-rich resources to schools throughout the UK. It contains thousands of videos and multimedia activities, as well as a weekly news service — all designed by teaching professionals. For more information, please visit:

www.discoveryeducation.co.uk/espresso

About Discovery Education Coding

Discovery Education Coding introduces coding concepts through guided lessons and the Python and HTML tutorials offers exposure to real world coding languages. For more information, visit: www.discoveryeducation.co.uk/coding

Getting started

Your child should already be familiar with both services. They could show you how they have been using it in class and how to find resources.

We hope you will find Discovery Education Espresso and Discovery Education Coding useful as a resource to extend your child's learning. If you have any further questions about how to use the service, please speak to your child's teacher.

Kind regards,

Mr. Wylde

Assistant Headteacher
